

# CPE PPS: Trust-level data capture

## To be completed once per trust

This paper form is intended to aid collecting data in advance of entering it onto the data capture system (DCS). It cannot be used instead of the DCS.

Questions in grey are conditional on previous answers

\* Denotes mandatory questions

Response boxes which are blank will require free text / dates / choices from longer lists not shown here

Response boxes with options (e.g. yes / no / unknown) will require an/multiple option(s) to be chosen

TRUST DETAILS			
	Question	Response	Help notes
1	*Reporting Organisation		Trust name. If you are registered for just one Trust, this will be pre-completed. If you are registered for more than one Trust, please select the Trust you wish to enter data for. You will need to complete one per Trust for which you are entering patient data for.
2	*Date survey commenced		DD/MM/YYYY Date picked for the point prevalence survey within the two-week study period
3	*What age groups are you submitting data on? (select all that apply)	Adult ICU Paediatric ICU Neonatal ICU	Which age group have you been recruited to collect data for?
4	Please Select Adult Trust		Full list of trusts as drop down options in the DCS
5	Please Select Paediatric Trusts		Full list of trusts as drop down options in the DCS
6	Please Select Neonates Trust		Full list of trusts as drop down options in the DCS
7	*Is there a CPE screening policy in operation for adults at the trust (not just in ICU)?	Yes / No / Unknown	Is there a CPE screening policy at the trust which applies to adult patients (not just ICU patients). If your Trust CPE screening policy is not stratified by age group, please select 'Yes' and answer for adult screening as per the overall Trust CPE screening policy.
8	*Is there a CPE screening policy in operation for paediatrics at the trust (not just in ICU)?	Yes / No / Unknown	Is there a CPE screening policy at the trust which applies to paediatric patients (not just ICU patients). If you have one Trust-level CPE screening policy for all age groups, please select 'Yes' and answer for paediatric screening as per the overall Trust CPE screening policy.

9	*Is there a CPE screening policy in operation for neonates at the trust (not just in ICU)?	Yes / No / Unknown	Is there a CPE screening policy at the trust which applies to neonatal patients (not just ICU patients). If you have one Trust-level CPE screening policy for all age groups, please select 'Yes' and answer for neonatal screening as per the overall Trust CPE screening policy.
10	*What is the CPE screening policy for adults at the trust? (select all that apply)	All admissions High-risk admissions High-risk areas Known CPE carriers Contacts of cases Other	CPE screening policy in operation at the Trust for adults. If your Trust-level CPE screening policy is not stratified by age, please provide the overall screening policy details here instead. Please see Trust Case Capture User Guide for definitions of "high-risk admissions" and "High-risk areas".
11	If "other" screening policy for adults, please specify		Provide details of screening policy in operation at Trust (text)
12	*What is the CPE screening policy for paediatrics at the trust? (select all that apply)	All admissions High-risk admissions High-risk areas Known CPE carriers Contacts of cases Other	CPE screening policy in operation at the Trust for paediatric patients. If your Trust-level CPE screening policy is not stratified by age, please provide the overall screening policy details here instead. Please see Trust Case Capture User Guide for definitions of "high-risk admissions" and "High-risk areas".
13	If "other" screening policy for paediatrics, please specify		Provide details of screening policy in operation at Trust (text)
14	*What is the CPE screening policy for neonates at the trust? (select all that apply)	All admissions High-risk admissions High-risk areas Known CPE carriers Contacts of cases Other	CPE screening policy in operation at the Trust for neonates. If your Trust-level CPE screening policy is not stratified by age, please provide the overall screening policy details here instead. Please see Trust Case Capture User Guide for definitions of "high-risk admissions" and "High-risk areas".
15	If "other" screening policy for neonates, please specify		Provide details of screening policy in operation at Trust (text)
16	*Number of Adult ICU beds		Number of ICU beds in the trust for the age range sampled for e.g. all Trust adult ICU beds (integer)
17	*Number of Paediatric ICU beds		Number of ICU beds in the trust for the age range sampled for e.g. all Trust paediatric ICU beds (integer)
18	*Number of Neonatal ICU beds		Number of ICU beds in the trust for the age range sampled for e.g. all Trust neonatal ICU beds (integer)
